

## Fighting Summer Hunger

So many of our children face summer-time hunger without free or reduced priced school meals. With your help,

Arm In Arm can provide a variety of healthy foods for low-income families who visit our food pantries throughout the summer. **Please consider organizing a food drive** to collect canned fruits and vegetables before the school year ends, and help to ensure that no child goes hungry.

To schedule a food pick up, please go to <https://doodle.com/poll/7wrtzv5f4b88deam>
