February 2023

Dear Friend,

We are thrilled to announce that Arm In Arm's annual spring benefit will be held on **Thursday, May 4th** at Mill One from 5:30-9:30pm. This year's event, "Food on the Table: Working together to feed our community" will highlight Arm In Arm's efforts, as well as the efforts of the friends who work with us each day, to ensure that food-insecure families in our shared communities have healthy, nutritious food on their tables. **The event will also offer attendees an inside look at our new Food Distribution Center and Mobile Pantry Truck and will feature a variety of cultural cuisines often enjoyed by our community members.**

For more than 40 years, Arm In Arm has continuously enhanced our programs to serve in an increasingly efficient, nimble and equitable way, but in the past three years, we have taken a quantum leap forward. This year we are energized, putting into action lessons learned from the challenges of the pandemic and, with the opening of our new Mobile Food Distribution Center at Mill One, deepening our impact by serving more communities and at unprecedented levels. While real progress is being made, families continue to feel the lasting effects of the pandemic as well as a difficult economic climate, so there is much still to do. Arm In Arm continues to rise to the challenge and is committed to creating sustainability for our neighbors in need so that they can survive, and ultimately thrive. The resources raised from "Food on the Table" will help to ensure we meet the current historic needs, and create stability for the future.

We invite you to partner with us in this endeavor by sponsoring "Food on the Table". This event wouldn't be possible without the support of local partners like you, and, with your help, we can be one step closer to breaking the cycle of poverty through pathways to self-sufficiency. Your investment in us and the future of Mercer County is an example to the rest of the community. **More detailed information about the benefits of sponsorship and levels of support available is enclosed here or can be viewed on-line at www.arminarm.org/benefit2023.** You can also reach out to Chief Development Officer, Maureen Hunt at 609-396-9355, x15, maureenh@arminarm.org.

Thank you again for your historic partnership and support of Arm In Arm.

Sincerely,

Dr. David R. Fox, Ph.D., M.Div.
